Contents:

1 x SRT RB2 Dual Core Media Player
1 x User Manual
1 x Remote Control & Batteries
1 x AV Leads

(for optimal picture quality HDMI cable is recommended, but not supplied)

^ Internet connection is required, Internet usage, data charge and conditions may apply
± Charges may apply for Games and/or emulators

So easy to connect

As simple as 1.2.3

Plug your Media Player in to Power and TV, connect to network via Wi-Fi or LAN and then sit back and enjoy

To access your own Media files, simply plug in your External USB Hard Drive*, to the USB port on your unit, Files can be accessed via the DVR or Menu buttons on the remote. There is also handy Rewind, Fast Forward, Play, Pause and Stop buttons as well.

For even more freedom on the net try plugging in a Wireless Keyboard as well as the mouse, or even a keyboard with a trackpad*. (*Keyboard, Mouse & Hard Drive not included).
